

Registration form for Host Employers

Employment Pathways Apprenticeship Program

Government of South Australia
SA Housing Authority

The SA Housing Authority has launched a new Apprenticeship Pilot Program to increase construction trade apprenticeships in:

Bricklaying

Painting

Plastering

Carpentry

Electrical

Tiling

The Apprenticeship Program has a target of 250 new apprenticeship commencements which are available to Social and Community Housing Tenants and people waiting for housing, Aboriginal and Torres Strait Islander people, mature aged, youth, people living with a disability and females.

Apprentices will be employed by Group Training Organisations who will provide ongoing support including pastoral care and pre-employment training.

If you are interested in hosting an apprentice from the program and would like one of our Group Training Organisations to contact you with more information please tell us your:
